||

Item 1. Schedule B, Line 23 discloses one or more contributions to candidates after election date.

A. The contribution to the Campaign Account of Walter Mondale was for the Senate seat that opened upon the death of Senator Wellstone. The contribution was for the general election. See amended contribution on Schedule A.

|||||

Item 2. Clarify possible "exempt activity" disbursements.

A. The slate cards and door knockers were for issue advocacy and generic "Go Vote" and "Early Vote" activities and unrelated to any candidate. Therefore they fell under our administrative event code.
